# How to use EuroForm SAM

Use the web interface to register the solution in SAM

If your printer's IP address is 192.168.0.97, then simply type <http://192.168.0.97/> in the address bar of your browser. Click on the button in the left menu labeled "EuroForm SAM". You will then be presented with the following web page.

Click on the "EuroForm SAM" button

The screenshot shows the Microsoft Internet Explorer browser window with the title "EuroForm Service Application Manager - Microsoft Internet Explorer". The address bar shows the URL <http://192.168.0.216/hp/device/euroform.sam/pageHome>. The menu bar includes File, Edit, View, Favorites, Tools, Help. The toolbar includes Back, Forward, Stop, Refresh, Search, Favorites, Media. The status bar shows the page title "hp color LaserJet 4600 / 192.168.0.216" and the URL "http://192.168.0.216/hp/device/euroform.sam/pageHome".  
The main content area has a blue header "EuroForm Service Application Manager". On the left, there's a sidebar with tabs: Information (selected), Settings, Home, Solutions (highlighted in orange), Log, Help. Below the sidebar is a "Other Links" section with icons for EuroForm and Print.  
The main content area displays a photograph of two electronic devices (possibly printers) on a desk. Below the photo is a section titled "Information" which states: "EuroForm Service Application Manager (SAM) provides simple access for installation, configuration and maintenance of your Service Application Interface (SAI) enabled solutions." There's also a "Memory" section showing a progress bar for free memory: "6206 KB of 9119 KB free".

Click on the Solutions button

The screenshot shows the same Microsoft Internet Explorer browser window, now with the "Solutions" tab selected in the sidebar. The main content area has a blue header "EuroForm Service Application Manager".  
The sidebar tabs are: Information, Solutions (selected), Log, Help. The "Other Links" section is visible.  
The main content area displays a section titled "Solutions". It contains an "Information" section stating: "Here you can see your current or previous installed Service Application Interface (SAI) enabled solutions." Below this is a "PagePlus" section with the text "This solution is NOT registered" and a "Register" button.

The Solution is listed with the remark: "The solution is NOT registered  
Click on "Register"
